

**Flash mob:  
the evangelization form that (almost) no one had ever thought about before**

Instructions for use,

by Raffaele Bruno

Translation by Stefano Bertuzzi and Simone Mancini

- Choose a place in your city or town  
(Suggestions: a market, a square or, in general, a crowded place)
  - Spread out among the people, choose someone and stay close to him/her  
(Suggestion: speak with him/her, just a few words, e.g.: “what are you buying/looking for?”)
  - After an established signal, start to sing, very softly at the beginning  
(Suggestion: do not be invasive, start to sing thinking about the person you chose)
  - Slowly converge on the centre of the square, looking at the person chosen in his/her eyes, without stop singing
  - Sing louder and louder; all of the singers gather together in the centre moving the eyes from the chosen people to the others; a choir is formed
  - Sing again softly and move your eyes toward the chosen person
  - The group breaks up: move towards the chosen person and CONTINUE to look at his/her eyes; give to him/her a note... with something written on it  
(Suggestion: write a message important and precious for you, so as to be an offer to an unknown brother or sister)
- Under the message: the address and/or the website of your church
- Gently go away  
(Suggestion: it is very important that the note is the only contact between you and her/him; do not speak, do not say anything, preserve this “magic” moment)

Learning to look the people in the eyes is the core of this work: it requires a proper preparation. The theatre workshop I hold (DELIRIO CREATIVO) is focused on this topic: if necessary I will try to help you.

Emanuele Aprile, the director of the Euphoria gospel choir, chose the perfect song (see below) for this flash mob.

**Suggested song: "I need you to survive"**

Song lyrics:

(you could sing it also partly)

I need you, you need me.  
We're all a part of God's body  
Stand with me, agree with me.  
We're all a part of God's body.  
It is his will, that every need be supplied.  
You are important to me, I need you to survive.  
You are important to me, I need you to survive.  
I pray for you, You pray for me.  
I love you, I need you to survive.  
I won't harm you with words from my mouth.  
I love you, I need you to survive.  
It is his will, that every need be supplied.  
You are important to me, I need you to survive.

*C'è bisogno di incontrare  
le donne e gli uomini dei luoghi in cui le nostre chiese vivono.*

*noi siamo parti fondamentali della nostra realtà  
noi siamo importanti  
noi siamo strumenti  
noi siamo corpi e voci al servizio di Dio  
noi siamo chiamati a cantare  
speranza e risveglio  
per i cuori risucchiati e distratti  
dalle fatiche quotidiane*

*noi siamo parti dello stesso corpo  
andiamo  
e raccontiamolo  
alle persone  
che ancora non lo fanno.*

*questa è una forza immensa  
questo è un messaggio di speranza  
e noi ne siamo i custodi*
